

Get Involved and Get Connected!

Our PTA volunteer interest and directory forms are online again this year! This saves our volunteers countless hours of data entry and enables us to get information out to teachers, room parents and committee chairs more quickly.

PLEASE use the following link (it will also be posted on the PTA website, on Facebook & Monarch Mail) to find out more about how you can get involved at Monarch! You will also have the option to click yes or no to submit your information for the directory – all those who send in their information will receive a free copy of the directory (one per family).
