The school has already ordered an electronic sign. It will be here very soon.

Robin Yarborough, Treasurer: BUDGET PTA , FOM and Spirit Wear...adding paper forms with online is definitely making a difference. \$1900 down from last year at this time, but expected to even out once all money collected, etc... (Spirit Wear is down but FOM is up and so is PTA memberships)

Beautification is \$2000. Lori is going to get a quote for someone to take care of the butterfly garden

Upcoming Spirit nights: Maple Street Biscuit is opening just for Monarch 4-7pm. 9.26

Twisted Cup spirit night is 9.12 2:30pm-8:30pm

Chick-Fil-A woodruff rd every month from Oct-May

Running Club 9.9 starts sign ups on PTA store online (Overman will put on phone blast)

Walk to school date: ? District sets it. National Walk to school day is Oct 4 but that is Boosterthon too. We will do it when it goes along with the school calendar

Boosterthon: will it be in the back? Do not want it on the soccer field...have Andrew Moore come and walk the property to figure out the logistics of the running. The problem is the back and the neighbors complain about the noise levels.

Teacher of the Month: teachers would like it to be grade level and not the whole school. They would want to split the prizes. Teachers felt it was a popularity contest and feelings got hurt. Instead of doing a teacher of the month do something for all the teachers and do drawings for the gifts that we already have. NO MORE TEACHER OF THE MONTH

New Chromebook training dates. District is going to send out a video, parents are to watch and sign something online! NO MEETING!!

Gaga Ball Pit: it did not have all parts with it and a child got hurt. It takes 2 hours for Bob to set it up. So, it's not portable. Late Spring is when it came in...it was \$5000. Need to find the missing pieces and find a safe place to put it out permanently.

Next Meeting Wednesday is 10.2.19 but Wednesdays are not good for Mrs. Overman. So, it is moved to 10.3.19.

Meeting adjourned@10:48
